(2) The university research network, part of a national research network infrastructure, serves entities within and outside this state. The Montana university system shall use the university research network infrastructure only for the purpose of supporting the research and education missions of the Montana university system. The Montana university system may not use the university research network infrastructure for traditional internet, voice, video, or other telecommunications services beyond those required for research networks.

(3) The Montana university system or any entity associated with the university system may not resell any portion of the university research network to nonuniversity entities other than research collaborators.

(4) The university research network may not replace any telecommunication network services that are provided by the department of administration to any state agency, city, county, consolidated government, or school district under Title 2, chapter 17, part 5.

(5) The Montana university system shall provide a comprehensive biennial report of the university research network activities for the biennium beginning July 1, 2007, to the legislature in its next regular session as provided in 5-11-210 and shall submit to a biennial audit of the university research network activities beginning with the biennium beginning July 1, 2009."
